Your contributions enable us to help fund athletes in the following areas:

Supplemental Funding

- HAF supports athletes in all sports with grants to assist them in attending camps to enhance their ability in individual sports and offer opportunities to showcase their talent and gain recognition from college coaches that rural high school athletes do not get. The grant is based on application approval with proof of attendance and receipts as a reimbursement. Through your generosity, HAF has given over \$375,000.00 to Hardee Athletics.

Scholarships

- HAF awards scholarships each to graduating seniors. Eight scholarships were given to 2024 HHS athletes.

Academic/Financial Support

- HAF sponsors the Athletic Academic coach for athletes at HHS who monitors grades, assists with college prep test registration, grant applications and arranges for a tutor when needed. We provide funding for ACT/SAT testing fees and the college clearing house potential college athletes are required to register for. These costs are rising each year. (average cost per athlete \$200). We also provide a test prep study book and a college test prep instructor who conducts the ACT/SAT test prep class for student athletes each semester to better prepare them for success on the college entrance exams.

Athletic Community Projects

- HAF Hall of Fame Dinner, Hall of Fame Wall at Wildcat Stadium, Back to School Tailgate Event and other community projects.
